THURSDAY, JUNE 18.

THE Democrats next fall will finish up what the silk stocking Republicans leave of Chauncey I. Filley.

A GOOD, strong man nominated by the Democrats of Missouri for Governor, will materially assist in keeping the grand old State of Missouri from Republican rule.

the United States.

BIG REPUBLICANS CONFER WITH BEN. CLARK, A DEMOCRATIC POLITICIAN.

Filley's Fatal Interview McKinley's Men Can No Longer Deny That they Threw Filley Because They Could Not Trust Him.

From the St. Louis Republic Have Mark Hanna and the McKinley managers decided to smash the

hampered in this employment by thousands of sightseers from in and Filley machine in Missouri? Are they responsible for the defeat of Boss Filley for National Commitsionists passed into the town in the teeman?

course of the day. These people were These are questions which have be gun to be freely asked by politicians than the residents of the city, for they not only in Missouri, but from all over here to take a hand in the big convention, which held its first sessio yesterday. Everything seems to point to a fight all along the line on the old bosses, and it is evidently McKinley' intention to make his race with an en the machinery. Singularly enough, tirely new set of men in charge of the

Republican party all over the country. Mark Hanna has tickled Platt and is making every effort to put an end to the "easy boss"" rule in the Empire State. There is nothing covert or hidden about this fight. It is a square out, open-and-above-board struggle timates of the damage to property. for the mastery, and it begins to look as though Hanna would win, although there is no telling what may happen that sum for the other side of the

If the McKinley people can afford to fight Platt they certainly can afford to sail in and smash Filley's machine in this State. It is claimed now that Kerens' victory over Filley in the race for election to the National comnittee was due entirely to the interprominent clock ceased to move at ference of Hanna. The Republic nas the story from an entirely reliable source that a conference was held on Sunday which was attended by several blown out, while the west and south of the most prominent men who have been behind Kerens in this fight and Lafayette Park many great trees are that Filley's downfall was planned and carried into execution then and there. Mark Hanna is said to have attended that conference.

FILLEY'S ENEMIES COMBINE. Whether Mr. Hanna was present o not the Republicans of Missouri have been given to understand that the storm I picked up a dead robin in McKinley people are with Kerens; Lafayette Park. One side of the body that they have no faith and are afraid to trust him as the leader of their forces in this State. So it is a matter side. The absence of wells in the city of little or no consequence whether probably accounts for the fact that Mr. Hanna actually lent his presence attended or staved away. Filley was doomed and it is hardly possible that anything could have been done to I stood with a crowd of twenty or ery cures Consumption (which is save him from defeat. Matt G. Reynolds, Assistant United States Attor Dyer, Major John L. Bittinger, of St.

> felt confident that all the powers of false movement; be careful. My the earth could not defeat him. COUNSELED WITH A DEMOCRAT. and if you give an alarm within three The story as the Republic has it is that while the conference was in session Ben F. Clark, attorney, who has an office in the same room with Mr. Reynolds, opened the door and walkbank building in time to see Clark taken the party by surprise, and, sides in Montclair, N. J. Mr. Clark said that he did not wish to intrude; that he had merely come

tion of Kerens at a time when Filley

down to the office on a little matter of business, and would prefer to not in terrupt them biliousness, sick and bilious headache, Somebody said, "Come in; you are

not intruding. Clark said: "Why, I am a Demotongue, indigestion, or dyspepsia, sour crat. I have no business in there." "But you are wanted," said Mr. Reynolds; "we need your assistance, burn," pain and distress after eating,

to what we should do about a certain stomach and bowels.

As the story goes, Hanna went to Reynolds' office in the Insurance Exchange building, upon the latter's invitation, to meet some parties who were in position to give him absolute information, going to show that Filley's intentions toward McKinley were not the best, and that he could not be relied upon to take care of Mc-Kinley's interests in Missouri during he coming campaign. Filley's record s said to have been gone over clear back to Grant, and it establishes the fact that he has not hesitated in at east three conventions to disobey the nstructions of the State convention hat elected him. The notable cases were when he threw Sherman and went over to Alger, and when he refused to vote for Harrison because he
